HISTORICAL CITIZENS ASSOCIATION

WHO ARE WE?

We are a 501(c)(3) non-profit/tax exempt educational organization comprised of living historians dedicated to portraying authentic citizens of the past.

Our main area of focus is the American Civil War, as we feel that the average citizen of that decade is under-represented at living history events.

We are constantly studying all aspects of 19th century life for both men and women including fashion, travel, language, etiquette and deportment, domestic arts, and other knowledge that would have been commonplace to the average person. By incorporating such knowledge into our presentations, we not only pass it along to others but also help keep it alive for future generations.

In addition, we also enjoy portraying other eras, such as the 18th, early 19th (Regency/Empire), late 19th ("Late Victorian"), and early 20th centuries and attend various Living History events for these eras as our respective schedules permit.

HOW CAN I GET INVOLVED?

Come join us at an event! The best way to learn about us is to attend a reenactment or historical occasion as a guest. E-mail us to request a guest spot at our next event and take the first step toward joining our organization. We have extra costumes to loan to most of our guests, so don't worry if you don't have period-appropriate clothing. Once you decide to join Historical Citizens Association (HCA), our Member Liaison can walk you through the simple application process. Dues are payable upon your acceptance as an HCA member.

Regular/Full Membership. Any person 18 years of age or older who is interested in the objectives of the Association is eligible to be a regular member upon participation in one (1) meeting, active support of a minimum of two (2) HCA Living History activities as set forth by the executive board, and payment of annual dues as set at the annual meeting.

Minors are welcome to attend events with us *in the company of their parents*. Please ask about our Family Memberships.

Honorary Membership. If you would like to support our organization, but are either not interested in participating onsite as a re-enactor or you are already committed to another (ex. military) group please contact us for more details on an honorary membership with our group.

MEMBERSHIP FEES

*Regular Individual Membership: \$10

*Family Membership: \$20
(1 Regular Member + spouse &/or child)

WHAT IS "OAK STREET"?

In the American Civil War Reenacting Community, we are known as "Oak Street." We portray citizens that either reside on or have businesses located on said street. For a current list of residents (with a brief bio), please see the "Residents" page on our website.

We encourage 1st person interpretation and go about our characters' lives (at an event) as if the characters were actually living on a particular street in a town in the 1860s. (For more information on the background of our 1860s scenario, please see the "About Us" section of our website).
